‹   **Overview**   What's New For 2022?   Pricing and Which One to Buy   E   ›

The 2022 Ferrari **F8** Tributo and Spider epitomize the supercar formula. They both have looks that kill, the most power-dense **V-8** that Ferrari has ever built, and handling that's more akin to donning a superhero's suit than driving a car. While the Italian automaker has built V-8s that sound better than the **F8's** twin-turbo 3.9-liter, the 710 horsepow...
